

Reflections on Learning™

Inspiring Creative Play and Delivering Excellence

Exquisite Glass Pebbles

New to Reflections on Learning™ are Glass Pebbles which are exquisite, colourful, and fascinating. Children can look at them, see through them, place and arrange them. They can be used on a light panel to create effects, build designs and pictures and in colour mixing. They can be used in storytelling, as part of treasure collections and in artwork as mosaic tiles. And they can be used to sort, count, add and take away in basic numeracy.

In addition to basic pebbles there are also numerous different glass shapes including moons and stars, fishes, mixed leaves, butterflies and striped twigs in a range of delightful colours, textures and patterns. Individual packs of pebbles cost just £3.99 (plus VAT) for 250g (choice of 11 different designs) or there is a complete collection which contains all 11 designs in a clear plastic storage box with snap top lid and removable trays for £39.99 (plus VAT).

Perfect for use on a light panel this product is for supervised use and really allows the practitioner to demonstrate light and colour to children within their setting. In addition, we also sell a range Organza Bags which come as a set of 10 in 6 different colours and 2 sizes for £4.99 (plus VAT).

More information about this product and the range of creative products from Reflections on Learning™ can be found on www.reflectionsonlearning.co.uk or by contacting Reflections on Learning™ and asking for your free 216 page catalogue today on 01732 225850.

Notes to the Editor: The Commotion Group was founded in 1983, specialising in distributing innovative educational products. The company has several catalogues segregated by brand; **Reflections on Learning**[®] focuses on pre-schools and key stage 1 and **Hands On**[®] focuses on primary key stages 1 and 2.

All products contained within the Commotion Group catalogues are carefully selected by our team of Catalogue Consultants and Teacher Advisers whom are fully conversant with all aspects of the EYFS and National Curriculum.
